Read & Publish Licence Agreement 2022-2024

THIS LICENCE IS AGREED BETWEEN IOP PUBLISHING LIMITED of Temple Circus, Temple Way, Bristol BS1 6HG England ("IOP") and Consortium of Swiss Academic Libraries (CSAL), c/o SLSP AG, Werdstrasse 2, CH-8004 Zürich, Switzerland ("the Consortium") acting for and on behalf of its members (together the "Members") whose names are included in Schedule 3. References to the Consortium in these terms and conditions include members which are both commercial organisations and educational institutions, unless specified to the contrary.

1. IOP agrees that the Members may give Authorised Users (defined in standard condition 1) electronic access to the publications listed in Schedule 2 (the "Publications"), as part of IOPscience extra (the "Service"), subject to these terms and conditions.
2. The Members will access the Publications through the IP addresses set out in Schedule 3 or through IP addresses previously supplied to IOP (the "IP addresses"). The Members shall notify IOP in writing if the IP addresses previously supplied to IOP are now inaccurate or incomplete and shall also notify IOP in writing if, at any time during the term of this Licence, there are any changes to the IP addresses.
3. This Licence is subject to the IOP Standard Terms and Conditions which are set out in Schedule 1.
4. Any amendments to these terms and conditions must be in writing and signed by authorised signatories of both parties.
5. This Licence shall be for the initial term which is set out in Schedule 3.
6. Neither the Consortium nor any of the Members shall assign or transfer its right to access the Service to any other institution, organisation or person.
7. These terms and conditions apply only to electronic access by the Members to the Service. Separate licence agreements are available for IOP's other products and services. For the avoidance of doubt, where the Consortium or the Members have previously entered into a separate agreement with IOP, including, but not limited to, an archive agreement, and that agreement is still in force, the Consortium's and/or the Members' rights and obligations under that agreement which relate to that other service are unaffected by these terms and conditions.
8. IOP's online publications and their content, including abstracts, are either owned by IOP or IOP has the right to make them available and are subject to all applicable copyright, database protection and other rights of copyright owners and publishers under the laws of England and other countries. Authorised Users shall claim no ownership by reason of their use of or access to the Service. ALL RIGHTS RESERVED.
9. This Licence is governed by and construed in accordance with the laws of England and Wales and the parties submit to the exclusive jurisdiction of the English Courts. The Consortium and the Members shall not be bound by this paragraph to the extent that compliance would violate any existing law, regulation, by-laws or articles of incorporation or other governing instrument.

10. This Licence covers access for the Members to the Publications in Schedule 2 whilst also enabling the Members' affiliated corresponding authors to publish articles on a gold open access basis (whether in a hybrid or gold open access journal), as defined in Schedule 4, in the Publications listed in Schedules 5 and 6.

SCHEDULE 1: IOP STANDARD TERMS AND CONDITIONS (INCLUDING SPECIFIC AMENDMENTS AGREED WITH THE CONSORTIUM)

Authorised Users

1 In these terms and conditions, the term “Authorised Users” shall mean:

1.1 Intentionally deleted.

1.2 (applies only if a Member is an educational institution) its employees, faculty (permanent, temporary and visiting), students officially affiliated with the Institution, persons with legal access to the library's facilities using one of the IP addresses, and contract staff (permanent or temporary). Authorised Users include persons affiliated with remote sites or campuses of the Member in the same country as the Member and/or persons affiliated with the Member who are studying overseas at sites or campuses of a third party institution on a temporary basis.

For the avoidance of doubt, walk in users shall only be entitled to access the Service whilst on the Member's premises and shall lose this access upon departure. In addition, such persons shall be excluded from all remote access privileges.

Access to the Service

2 Where a Member wishes to allow the Authorised Users to access the Service from terminals or work stations at locations other than the site addresses supplied to IOP, this may be done via public access, caching and proxy servers, or some other recognized authentication system such as Shibboleth, provided that the Authorised Users access the Service through the IP addresses and provided further that the Member has adequate security measures in place to ensure that only Authorised Users access the Service via the applicable method.

3 Access extends only to Authorised Users individually and may not be transferred or extended to others. The Consortium and the Members shall take all reasonable measures to ensure that only Authorised Users can use the Service and shall ensure that Authorised Users are made aware of and understand the restrictions and prohibitions on use set out in these terms and conditions and that they abide by them. The Consortium and the Members shall also exercise vigilance and be responsible for all display and access controls, including security measures, necessary to ensure that the Service is only accessible by Authorised Users. The Consortium and the Members shall make every effort to enforce these terms and conditions on receiving information that reasonably indicates that they are being violated.

4 Authorised Users may access, download, store, search and print hard copy of text. Copying must be limited to making a single printed copy or electronic copies of a reasonable number of individual articles, chapters or other similar items.

5 No text accessed via the Publications may be made available to non-Authorised Users, either for commercial reward or free of charge, except that for inter-library loan purposes:

5.1 a single paper copy of an article or chapter from a single Publication may be made and sent non-digitally to a library in the same country as the Consortium under fair dealing/use exemptions;

5.2 a single copy of an article or chapter from a single Publication may be made available to a library in the same country by secure transmission using Ariel or ILLiad (or their equivalent) whereby

that electronic file is deleted immediately after printing. Such supply shall be for the purpose of research or private study and not for commercial use or onward transmission or distribution.

- 6 Intentionally deleted.
- 7 Access is granted to Authorised Users of **educational institutions (as defined in term 1.2)** solely for private study or research for a non-commercial purpose by Authorised Users. Such Authorised Users may use the Service for educational resources, such as "course packs", made available solely to Authorised Users, provided that electronic copies included in such educational resources are removed or deleted at the end of the semester or term in which the relevant course ends. Such Authorised Users may also make brief quotations from the content of the Publications, with the customary acknowledgement of the source, and copy and transmit content from individual online articles in "person-to-person" and non-systematic scholarly exchanges of information.
- 8 The Members and Authorised Users may only use this online access in a way that does not breach the laws of the country in which they are accessing the Service.
- 9 Altering, recompiling, systematic or programmatic copying, reselling, redistributing, supplying, publishing or republishing (beyond the brief quotations permitted above) of any Publication text, output, search results or other information from any part of the Service, including, without limitation, copyright, proprietary or other legal notices, in any form or medium is prohibited. Downloading an entire issue of a Publication; systematic downloading, service bureau redistribution services; printing for a for-fee-service purpose; document delivery services and/or the systematic making of print or electronic copies for transmission to non-Authorised Users (beyond that permitted above) are prohibited.

Termination

- 10 Access to the Service by a Member shall terminate immediately if these terms and conditions are materially breached and such breach is not remedied within 30 days of the Member receiving a written request to remedy such breach. IOP will write to its contact at the Member to notify them and to alert them to the fact that access to the Service will be terminated by IOP if the breach is not remedied. IOP shall have the right to terminate that access if the breach is not remedied to its satisfaction within 30 days of such notification being sent to the relevant Member. Consequential amendments as are necessitated by such termination will be made to this Licence following such notice. In particular Schedule 3 shall be deemed amended accordingly.
- 11 In addition a Member may give at least 90 days written notice of its intention to cease to be a Member under this Licence provided the Member confirms in such notice that the reason for termination is the withdrawal or cessation of funding (i.e. a material reduction of the acquisition budget of the library) in respect of the Fees. Consequential amendments as are necessitated by such termination will be made to this Licence following such notice. Schedule 3 shall be deemed to be amended accordingly. If, in its discretion, IOP considers that a sufficiently high number of Members have withdrawn from this Licence then it reserves the right to review the terms and conditions including, but not limited to, that relating to the Licence Fee.

Continued Access to Content (term 12 is not applicable to IOP ebooks, IOP Archive and Article Packs)

- 12.1 Upon termination of this Licence, where the Member:

12.1.1 is not in breach of any of the terms and conditions of this Licence; and

12.1.2 has paid all its fees in full,

a Member(s) will be entitled to have continued access to the issues of the Publications dated with the calendar year in which this Licence commenced.

12.2 Where this Licence remains in force for subsequent full calendar years, and the conditions in term 12.1 apply, the Member will have continued access to the issues of the Publications under this Licence which were dated with those full calendar years (the "Available Content"). All other access shall terminate.

12.3 The Available Content will be made available via a website on payment of an annual maintenance fee and for so long as IOP provides electronic access to that content via that website. If access via a website is no longer available at any time, the Available Content will be made available on disk or some other form of electronic media.

12.4 If, at any time, IOP ceases to publish or distribute any of the Available Content then it will use its reasonable endeavours to negotiate the right for the Member(s) to continue to access it in accordance with these terms and conditions.

Fees

13 The fee payable by the Members for the Initial Term shall be as specified in Schedule 3. All fees due under this Licence shall be payable by the Members within 30 days of the date of invoice. Whilst any of the publications published by IOP are part of SCOAP 3 (the sponsoring Consortium for Open Access Publishing in Particle Physics) then IOP will make appropriate adjustments to the licence fee to reflect this.

14 IOP will notify the Consortium and the Members, in writing and in advance, with details of the fees payable for subsequent years. The Consortium and the Members acknowledge that the fees for each of the tiers shall increase per annum as set out in Schedule 3. Where IOP starts to publish an additional journal on behalf of a third party, that journal shall be added to the Publications where agreed in writing by the parties and for the agreed fee. Where IOP launches a new journal during the term of this Licence then that journal shall be free to access by the Members outside of this Licence during the initial term set out in Schedule 3 only. At the end of the initial term, the parties will jointly discuss the usage and value of those titles to the Consortium and the Members when agreeing the licence fee for any new or renewed licence. The Consortium may add new Members to this Licence at a cost to be agreed by the parties, depending on the appropriate tier for that member, and, on addition of such new Member(s), Schedule 3 shall be deemed to be amended accordingly. IOP shall provide to the Consortium or the Member (as appropriate) an invoice in respect of any additional fees payable under this Licence and such additional fees shall be paid to IOP within 30 days of the date of the invoice.

15 All sums specified are exclusive of sales taxes (where applicable) which shall be paid by the Members on presentation of an appropriate tax invoice or other appropriate claims document. IOP will do all it reasonably can to support the Consortium and the Members regarding an application by them for tax exemption if necessary and will provide all required documents wherever reasonably practicable.

Withdrawal of the Publications

- 16 IOP reserves the right at any time to withdraw any of the Publication(s) (or part) from the Service if it no longer retains the right to publish or ceases, for whatever reason, to publish or to distribute such Publication(s) or if, in its sole discretion, it believes that such Publication(s) contains any material which infringes copyright or is defamatory, obscene, unlawful or otherwise objectionable.
- 17 If any Publication(s) is withdrawn, IOP will give the Consortium written notice and, where applicable, will substitute it with another publication which is not currently included as part of the Publications. If it does not substitute the publication with another publication then IOP will reduce the fee for that calendar year by a sum equivalent to the contribution of the withdrawn content to the total fee, pro-rated. IOP shall be entitled to off-set any reduction owing to the Consortium or any of the Members against any amounts owed to IOP by the Consortium or any of the Members under any agreement between the parties.

Availability of the Publications

- 18 IOP will use its reasonable endeavors to make the Publications available on a 24 hour basis, subject to IOP's right to suspend access in order to carry out routine maintenance, repairs, testing, reconfigurations or upgrades and unavailability caused by circumstances beyond IOP's reasonable control including, but not limited to, downtime relating to telecommunications lines or any Internet nodes or facilities. If access is suspended or interrupted, or fault or defect occurs which prevents access, IOP's liability shall be limited to using all commercially reasonable efforts to restore access as soon as is reasonably practicable. IOP shall have no other liability in this respect. IOP shall not be liable for any delay, downtime, transmission error, software or equipment incompatibility, force majeure or any failure of performance beyond its reasonable control.
- 19 IOP reserves the right to suspend access for a particular Member(s) to the Publications on detecting a breach of these terms and conditions but will not do so without notifying the relevant Member(s) in advance.

Warranties and Exclusions of Liability

- 20 IOP WARRANTS THAT IT IS ENTITLED TO GRANT THE LICENCES IN THESE TERMS AND CONDITIONS.
- 21 IOP WILL TAKE REASONABLE CARE TO ENSURE THAT THE PUBLICATIONS ARE COMPLETE, ACCURATE AND ERROR FREE BUT IOP DOES NOT WARRANT THEIR COMPLETENESS OR ACCURACY AND DOES NOT WARRANT THAT THE MEMBERS' ACCESS TO THE SERVICE WILL BE UNINTERRUPTED OR ERROR FREE OR THAT THE RESULTS OBTAINED WILL BE USEFUL OR WILL SATISFY INSTITUTIONAL REQUIREMENTS.
- 22 OTHER THAN AS SET OUT ABOVE, IOP MAKES NO WARRANTY OR REPRESENTATION OF ANY KIND, EXPRESS OR IMPLIED, WITH RESPECT TO THE SERVICE, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF QUALITY, ORIGINALITY, SUITABILITY, SEARCHABILITY, OPERATION, PERFORMANCE, COMPATIBILITY, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.
- 23 IOP SHALL NOT BE LIABLE FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY, SPECIAL OR OTHER DAMAGES ARISING OUT OF, OR IN CONNECTION WITH, THIS LICENCE

AND/OR USE OF THE SERVICE, INCLUDING, WITHOUT LIMITATION, FOR LOSS OF PROFIT, LOSS OF REVENUE, LOSS OF CONTRACTS, BUSINESS INTERRUPTION OR LOSS OF DATA.

- 24 IN NO EVENT SHALL THE TOTAL AGGREGATE LIABILITY OF IOP FOR ANY CLAIMS, LOSSES OR DAMAGES ARISING OUT OF A BREACH OR TERMINATION OF ACCESS TO THE SERVICE, WHETHER IN CONTRACT, TORT OR OTHERWISE, INCLUDING, WITHOUT LIMITATION, DUE TO NEGLIGENCE, EXCEED THE TOTAL AMOUNT PAID BY THE CONSORTIUM AND/OR THE MEMBERS TO IOP FOR THE SERVICE DURING THE YEAR IN WHICH SUCH CLAIM, LOSS OR DAMAGE OCCURRED, EVEN IF IOP HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH POTENTIAL CLAIM, LOSS OR DAMAGE.
- 25 THE FOREGOING LIMITATION OF LIABILITY AND EXCLUSION OF CERTAIN DAMAGES SHALL APPLY REGARDLESS OF THE SUCCESS OR EFFECTIVENESS OF OTHER REMEDIES.
- 26 REGARDLESS OF THE CAUSE OR FORM OF ACTION, NEITHER THE CONSORTIUM NOR THE MEMBERS MAY BRING ANY ACTION ARISING FROM THESE TERMS AND CONDITIONS MORE THAN SIX CALENDAR MONTHS AFTER THE CAUSE OF ACTION AROSE.
- 27 EACH OF THE MEMBERS ASSUMES SOLE RESPONSIBILITY FOR ALL USE OF THE SERVICE THROUGH ITS IP ADDRESSES AND INDEMNIFIES AND AGREES TO HOLD IOP INDEMNIFIED FROM ANY LIABILITY OR CLAIM OF ANY PERSON ARISING FROM SUCH USE.
- 28 IOP USES ALL REASONABLE ENDEAVOURS TO INCLUDE ALL RESEARCH MATERIAL FORMING PART OF THE PRODUCTS IN THE ARCHIVE SERVICE BUT DUE TO THE AGE, RARITY AND UNAVAILABILITY OF CERTAIN MATERIAL, IOP ACCEPTS NO RESPONSIBILITY FOR THE COMPLETENESS OF THE MATERIAL AND MAKES NO REPRESENTATION OR WARRANTY IN THIS REGARD.
- 29 IOP CONDUCTS REASONABLE QUALITY CHECKING AS PART OF THE PRODUCTION PROCESS OF THE PUBLICATIONS. THIS CHECKING ENCOMPASSES ACCURACY AND COMPLETENESS. NO CHECKING ABOVE AND BEYOND THIS HAS BEEN CARRIED OUT. IOP WILL TAKE REASONABLE CARE TO ENSURE THAT THE PUBLICATIONS ARE COMPLETE, ACCURATE AND ERROR FREE BUT IOP ACCEPTS NO RESPONSIBILITY FOR THE ACCURACY OR COMPLETENESS OF THE PUBLICATIONS AND MAKES NO WARRANTY OR REPRESENTATION IN THIS REGARD.

General

- 30 Failure to enforce any provision on any one occasion will not affect a party's right to enforce another provision or the same provision on another occasion. These terms and conditions constitute the entire agreement between the parties relating to the Service and supersede any prior communication between them with respect to the subject matter hereof. This is not intended to exclude any liability that either party may have for fraud.
- 31 Where, at the time of agreeing to these terms and conditions, the Members have existing subscriptions to print journals published by IOP and included within the Service, they may be entitled to renew those print subscriptions for a deep discount rate of 90% of the full rate print subscription cost whilst they have access to the Service.
- 32 The liability of the Consortium and the Members under this Licence is several.
- 33 Any notice served by a party to this Licence may be sent by air mail or courier to the address set out below or by email transmission to the email address set out below and, if so sent, shall be deemed to have been served, in respect of airmail or courier, ten working days after the date of

posting and, in respect of email, at the time of such transmission (if on a working day) or, if not so received, 10am on the next working day. Notices sent to a Member by IOP relating to this Licence will be copied to the Consortium.

Air mail / courier notices to be sent to:

Email notices to be sent to: customerservices@ioppublishing.org

- 34 Nothing in this Licence shall create or be deemed to create a partnership or the relationship of principal and agent between the parties and the Consortium and the Members shall have no right or authority to bind or to make any representation or warranty on behalf of IOP.
- 35 The failure of any party to enforce any provision on one occasion shall not affect its right to enforce another provision or the same provision on another occasion.
- 36 If any provision of this Licence is void or unenforceable, or renders this Licence or any part of it void or unenforceable, then that provision shall be severable from the remainder of this Licence which shall continue in force and be construed as if such provision had never been contained.
- 37 Where, during the term of this Licence, a Member merges with another institution it shall be entitled to add that institution's sites to this Licence provided that, where that other institution is an existing customer of IOP, that institution maintains all of its then current subscriptions with IOP (whether for print and/or electronic products and services) or, where that institution wishes to cancel any or all of its existing subscriptions, going forward, the cost of those cancelled subscription(s) is added to the then current Licence Fee payable under this Licence. If the merged institution or organisation was not a current customer of IOP at the time of the merger then IOP reserves the right to increase the licence fee to reflect the addition.
- 38 Save where disclosure is required by the Consortium's or a Member's governing law or constitution, the Consortium and the Members shall keep confidential the fees and shall not disclose the same to any third party. This Licence shall be made available and registered by the Consortium in the ESAC Transformative Agreement Registry ("ESAC") thirty ("30") days after signing. The version of this Licence made available on ESAC shall include 'headline' costs, conditions and services, unless specified by either party. For the avoidance of doubt, 'headline' costs do not include individual fees per Member. Communications such as emails and documents shared by the parties relating to this Licence shall remain confidential between the parties.
- 39 The Consortium warrants that it is the duly authorised agent and representative of the Members for the purpose of this Licence and has the authority to sign this Licence on their behalf.
- 40 Where an article in a journal is published by IOP on a gold open access basis (whether in a hybrid or gold open access journal) any person may post it anywhere they choose immediately under the terms of applicable Creative Commons licence referred to on that article. Where an article

in an IOP owned journal is published on a subscription basis, the accepted manuscript version of an article can be posted in accordance with the terms of IOP's applicable author rights policy, currently available at <https://publishingsupport.iopscience.iop.org/author-rights-policies/> For articles published on a subscription basis, posting the final published version is not permitted under any circumstances.

- 41 The Members will be permitted to carry out text and data mining of the Publications, in accordance with the terms set out in Schedule 7.
- 42 Where the Consortium provides Personal Data (as defined in the Data Protection Act 2018 and any subsequent legislation or regulations) to IOP, the Consortium acknowledges that such Personal Data may be processed:
 - 42.1 for the administration of this Licence;
 - 42.2 for the provision of services in connection with this Licence, including, but not limited to, creation of the Consortium's online accounts and exchange of customer service communications; and/or
 - 42.3 as otherwise stated in IOP's Privacy Policy from time to time.
- 43 Intentionally deleted.
- 44 IOP will support the archiving of the Publications to ensure that they are preserved for future scholarship in at least one of the following archiving solutions: Portico, CLOCKSS or LOCKSS, and IOP will inform the Consortium and the Members in which of the archiving solutions the Publications may be found. Subject to the Members having a contractual arrangement with one of these companies, and paying any fees payable to them, they will receive continued access to the Available Content in cases set out in those agreements.
- 45 IOP will:
 - 45.1 make available to the Consortium usage statistics compliant with the COUNTER Code of Practice (www.projectcounter.org);
 - 45.2 implement the Standardized Usage Statistics Harvesting Initiative (SUSHI) protocol (www.niso.org/workrooms/sushi); and
 - 45.3 every calendar quarter provide the Consortium with a complete list, including the first and final year, volume, and issue, of the Publications including comprehensive title information, structured in the most current KBART format.
- 46 Neither party's delay or failure to perform any provision of this Licence, as a direct result of circumstances beyond its reasonable control (including, but not limited to, war, strikes, floods, governmental restrictions, power, telecommunications or internet failures, or damage to or destruction of any network facilities) shall be deemed to be, or give rise to, a breach of this Licence.

SCHEDULE 2: PUBLICATIONS INCLUDED IN THIS LICENCE

IOP will send the Consortium an updated list of the Publications on a yearly basis. This list is subject to change by IOP. Such changes will be communicated to the Consortium and the Members as part of the annual update to the Publications.

SCHEDULE 4: OPEN ACCESS PUBLICATION

- 1 Subject to the remainder of this Schedule, with regard to the fees payable for periods starting on or after 1 January 2022, and during the term of this Licence, IOP will charge the amounts outlined in Schedule 3 for this Licence.
- 2 The “Corresponding Author” shall be defined as the author that:
 - i. submits a manuscript to an IOP journal or that of one of its partners; and
 - ii. is the author responsible for communicating with the journal during the submission, peer review and publication process;
- 3 For the purposes of this Licence, a manuscript may not have more than one Corresponding Author for Eligible Articles (as defined below) under this Schedule. This includes post-publication contact authors, which may differ from the Corresponding Author.
- 4 The Corresponding Author may not be changed retrospectively without approval in writing by IOP.
- 5 An “Eligible Article” is an article which:
 - i. has a Corresponding Author that is a current staff member, researcher (permanent, temporary and visiting), or student of a Member at the time of article acceptance;
 - ii. is published within an Included Journal or Included Gold OA Journal (listed in Schedule 5 and Schedule 6 respectively);
 - iii. is a manuscript of the type paper, special issue paper, review and/or letter (intended to cover all original research and review type content);
 - iv. has been accepted by IOP within the term of this Licence. The submission date of an article does not determine the eligibility of the article;
 - v. has been identified for inclusion within the Licence under the process outlined in clause 7 below; and
 - vi. is approved for inclusion by the named contact at the Member on acceptance of the article by IOP or the respective partner within the term of this Licence.
- 6 The Article Publication Charges (“APCs”) shall be included in the Fee for all Eligible Articles.
- 7 The following process to identify and include Eligible Articles under this Licence shall be followed.
 - i. During the peer review process, IOP will make reasonable efforts to identify and inform Corresponding Authors of their article’s possible eligibility for inclusion in this Licence and/or IOP will use reasonable efforts to ensure that the respective partner informs those authors where a journal is owned by that partner; IOP and its partners assume no liability for failure to identify whether a Corresponding Author is a current staff member, researcher or student of a Member;

- ii. The Corresponding Author may opt out in writing from their article being included under the Licence within five (“5”) days of being notified of possible eligibility;
 - iii. Where a potentially Eligible Article is identified, the article will be published as an open access publication, subject to clauses 7iv, 7v and 7vi, unless the Corresponding Author opts out within five (“5”) days of notification;
 - iv. In order for an article to be approved as an Eligible Article, IOP and/or the respective partner will notify the Member in writing with a request for approval once such an article has been identified and accepted for publication;
 - v. The responsibility of approving an Eligible Article shall be exclusively that of the Member, which must verify that the article meets their requirements. Members may request additional information (including the email address of the Corresponding Author) if required for the approval process;
 - vi. The Member must respond to IOP within five (“5”) working days of a request for approval, or request to extend this by up to an additional five (“5”) working days. If the Member does not notify IOP in writing within this or any extended period that it wishes IOP to treat the article as an Eligible Article, then IOP shall not treat the article as an Eligible Article. If IOP is concerned about the speed of responses, or considers that validations are adversely impacting authors, IOP will notify the respective Member;
 - vii. If an article is published on a subscription basis, but is identified subsequently as an Eligible Article, then IOP and/or its respective partners (as applicable) shall be under no obligation to change its status retrospectively;
 - viii. Where any charges are payable for publication of the Eligible Article in addition to the APC, including, but not limited to, page charges, these remain payable by the Corresponding Author; and
 - ix. The decision whether or not to publish any article shall be taken by IOP and / or respective partner in its absolute discretion, using its editorial criteria.
- 8 IOP will deliver article metadata including Open Access licence information to CrossRef.
 - 9 Any Eligible Article will be published under a Creative Commons CC BY licence and can be posted to institutional and subject repositories immediately, in accordance with the terms of that CC BY licence.
 - 10 IOP will send quarterly reports and an annual statement of the Eligible Articles accepted and published within the period to the Consortium. These reports shall include the following details:
 - Name of journal
 - Article title
 - DOI of article
 - Name of eligible Corresponding Author
 - Email of eligible Corresponding Author
 - Online publication date
 - Acceptance date
 - APC list price applicable to article

- 11 IOP will notify the Consortium in writing when any titles will be added or removed to the list of Included Journals (Schedule 5) or Included Gold OA Journals (Schedule 6).

SCHEDULE 5: INCLUDED HYBRID JOURNALS

IOP will send the Consortium an updated list of Included Hybrid Journals on a yearly basis. This list is subject to change by IOP. Such changes will be communicated to the Consortium and the Members as part of the annual update to the Included Hybrid Journals.

SCHEDULE 7: TEXT AND DATA MINING

"Text and Data Mining" means to download, extract and index information from the Publications for non-commercial purposes. Where required, mount, load and integrate the results on a server used for the Consortium and/or the Members' text-mining system and evaluate and interpret the TDM Output. The Consortium and the Members shall use all reasonable efforts to ensure compliance with this Licence, including security and technical access requirements; and

"Text and Data Mining Output ("TDM Output")" means the result of any Text and Data Mining activity or operation, capable of fixation, reproduction and/or communication in any form, such as in the creation of an index, reference, abstract, relative or absolute description or representation of the Publications, an algorithm, formula, metrics, method, standard or taxonomy describing or based on the Publications, a relational expression or measurement, whether scalable or not, of the Publications, extraction, alternative representation or translation, expression or discussion of any extracts from mined Publications, whether in the form of a direct extraction or a representation in any form which is based on the Publications.

- 1 The Consortium and the Members may load and technically format the Publications on their or a third party server that enables access to and use of the Publications for Text and Data Mining purposes by Authorised Users by using automated programs or devices to continuously and automatically (i) download, extract and index information from the Publications for the purpose of enhanced navigation of the Publications and (ii) extract semantic entities from the Publications for the purpose of recognition and classification of the relations between them and (iii) derive patterns within the Publications and (iv) evaluate and interpret the TDM Output. IOP excludes any warranty regarding the quality of the metadata, formatting and errors or omissions. The Publications are made available "as is" and without warranty of fitting the description of the Publications in the metadata or otherwise, any fitness for purpose, satisfactory quality, reliability and completeness.
- 2 Except as expressly stated in this Licence, or otherwise permitted in writing by IOP, the Consortium and the Members and Authorised Users shall not in respect of Text and Data Mining:
 - 2.1 perform systematic or substantive extracting of the Publications for the purposes of creating a product or service for use by third parties;
 - 2.2 utilise the TDM Output to enhance institutional or subject repositories in a way that could compete with the value of the final peer reviewed articles in the Publications, or substitute and/or replicate any other existing IOP product, service and/or solution;
 - 2.3 extract, develop or use the Publications in any commercial activity other than for Text and Data Mining;
 - 2.4 abridge, modify, translate or create any derivative work based on the Publications, except to the extent necessary to make it perceptible on a computer screen to Authorised Users;
 - 2.5 use any robots, spiders, crawlers or other automated downloading programs, algorithms or devices to continuously and automatically search, scrape, extract, deep link, index or disrupt the working of the Publications; and/or
 - 2.6 substantially reproduce, retain or redistribute the Publications.

- 3 Authorised Users are free to use the TDM Output and any database rights created as a result of Text and Data Mining activities are the sole property of the Authorised Users. Such TDM Output shall be licensed under a Creative Commons CC-BY NC ND licence, include a link to the DOI of the applicable article wherever practicable and include a maximum of 200 characters from the original article.
- 4 Any rights of the Consortium and the Members to carry out Text and Data Mining of the Publications shall only apply whilst this Licence is in force and, upon termination of this Licence for any reason, those rights shall cease automatically save in so far as they relate to any issues of the Publications in which the Consortium and the Members have continued access rights under this Licence. Accordingly, upon termination, the Consortium and the Members shall delete from their and all third party servers all other issues of the Publications that they have stored for Text and Data Mining, unless necessary for purposes of reproducibility.

As witness the hands of the parties the day and year first above written.
